c. The presiding officer of the House of Representatives was known as the Speaker of the House of Representatives. The Speaker had a variety of formal and informal powers, including but not limited to: (i) the power to appoint members to House committees that would consider bills introduced in the House, including whether such bills were suitable for consideration by the House as a whole; (ii) the power to influence the movement of bills within the House; (iii) the power to decide what legislation would be called for a vote in the House; and (iv) the power to exercise substantial influence over fellow lawmakers concerning legislation.

The Chicago City Council, Aldermen & Committeemen

e. The City of Chicago was a unit of local government known as a municipal corporation, and a political subdivision of the State of Illinois.

f. The City of Chicago’s legislative branch of government was the Chicago City Council (the “City Council”), which comprised fifty City Council members, each of whom represented one of Chicago’s fifty wards, and who were also known as Aldermen. The Aldermen were compensated and publicly elected. It was one of the functions of Aldermen to provide or withhold their support for real estate

development projects proposed for land in their respective wards, which support or non-support was instrumental in securing necessary governmental action or inaction relating to the proposed projects.

g. The City Council maintained a Committee on Zoning, Landmarks & Building Standards, which exercised legislative powers pertaining to land use in the City of Chicago, including the approval of zoning changes and other authorizations required for real estate development projects.

h. Each ward also publicly elected individuals for each respective political party that were each known as a “Committeeman” or “Committeeperson.” A Committeeman had varying roles in each ward, that could include such tasks and duties as addressing day-to-day grievances presented by ward residents; having a role in endorsing candidates for office and deciding the composition of the “slate” of candidates for their political party for office within Cook County; and having a role in deciding who would be appointed to fill any vacancies that arose with respect to certain public offices.

The Thirteenth Ward Democratic Organization

i. The State of Illinois’s Twenty-Second District was largely made up of two Chicago wards: the Thirteenth Ward and the Twenty-Third Ward.

j. The Thirteenth Ward Democratic Organization was a political party committee that maintained an office within Chicago’s Thirteenth Ward at 6500 South Pulaski Road, Chicago, Illinois (the “Thirteenth Ward Office”). The purpose of the Thirteenth Ward Democratic Organization was to, among other things, cultivate support for political candidates and public officials who ran for and held public office

through a variety of means, which included door-to-door campaigning by political workers, including those known as “precinct captains,” who were associated with the Thirteenth Ward Democratic Organization.

Madigan & Getzendanner

k. Madigan & Getzendanner was a law firm with offices located in Chicago, Illinois. Madigan & Getzendanner specialized in contesting tax assessments made on real property and seeking reductions in such tax assessments for the firm’s clients.

The Democratic Party of Illinois

l. The Democratic Party of Illinois was a political party organization whose purposes included fostering support for political candidates and public officials throughout the State of Illinois by providing these individuals with, among other things, campaign funding, staffing, and other resources.

As Chairman of the Committee on Zoning, Landmarks & Building Standards, Alderman A had authority over which matters would be considered by that Committee. Among other things, MADIGAN utilized his official positions as a Representative and Speaker: (i) to cause various businesses to employ, contract with, and make direct and indirect monetary payments to MADIGAN's political allies and, political workers, ~~and associates~~ as a reward for and to promote their loyalty, association with, and work for MADIGAN, at times in return for little or no legitimate work performed for the benefit of the businesses; and (ii) to solicit and receive from persons and parties

MADIGAN utilized his position as Chairman of the Democratic Party of Illinois to influence and garner loyalty from legislators by providing or withholding staff and funding to legislators and their campaigns. MADIGAN utilized his position as a partner in Madigan & Getzendanner to reap the benefits of private legal work unlawfully steered to his law firm. 10. Beginning no later than in or around 2011, and continuing through in or around 2019, in the Northern District of Illinois, Eastern Division, and elsewhere,

MICHAEL J. MADIGAN and
MICHAEL F. McCLAIN,

defendants herein, being persons employed by and associated with an enterprise, namely, the ~~Madigan Enterprise~~ as described in paragraphs 2-9 above, which

enterprise engaged in, and the activities of which affected, interstate commerce, did knowingly conspire together and with others known and unknown to the Grand Jury, to conduct and participate, directly and indirectly, in the conduct of the affairs of the enterprise through a pattern of racketeering activity as those terms are defined in Title 18, United States Code, Sections 1961(1) and (5), in violation of Title 18, United States Code, Section 1962(c), as further specified in paragraphs 11 and 12 below.

ii. Title 18, United States Code, Section 1952 (relating to the use of facilities in interstate commerce in aid of racketeering activity); and

b. multiple acts and threats involving bribery chargeable under the following provisions of the law of the State of Illinois: Chapter 720 Illinois Compiled Statutes § 5/33-1(d)-(e); Chapter 720 Illinois Compiled Statutes § 5/33-3(a)(4) (formerly codified as Chapter 720 Illinois Compiled Statutes § 33-3(d)); Chapter 720 Illinois Compiled Statutes § 645/1 (effective until December 31, 2012); and Chapter 720 Illinois Compiled Statutes § 5/33-8 (effective January 1, 2013).

12. It was part of the conspiracy that each defendant agreed that a conspirator would commit at least two acts of racketeering in the conduct of the affairs of the enterprise.

III. MANNER AND MEANS OF THE CONSPIRACY

13. The manner and means by which the conspirators agreed to conduct and participate in the conduct of the affairs of the enterprise included, among others, the following:

a. It was part of the conspiracy that MADIGAN's and Alderman A's positions as public officials (including Alderman A's position as Chairman of the Committee on Zoning, Landmarks & Building Standards) would be and were used to solicit and receive from persons and parties having business before the State of Illinois and the City of Chicago, or otherwise subject to the authority and powers vested in MADIGAN and Alderman A, unlawful personal financial advantage, including but not limited to fees arising from the retention of MADIGAN's law firm, Madigan & Getzendanner.

b. It was further part of the conspiracy that private benefits for MADIGAN's political allies and, political workers, ~~and associates~~ would be and were solicited from various entities having business before the General Assembly.

c. It was further part of the conspiracy that defendant MADIGAN's official position as Speaker of the House of Representatives and control over the staff of the Office of the Speaker would be and was used to take and cause official action, including: (1) the promotion, support, and furtherance of legislation favorable to, and obstruction of legislation unfavorable to, companies that would and did provide private benefits to MADIGAN and MADIGAN's political allies and, political workers, ~~and associates~~; and (2) the appointment of MADIGAN's political allies and, political workers, ~~and associates~~ to public employment, including but not limited to

d. It was further part of the conspiracy that nominees and intermediaries would be and were used in order to conceal and direct payments received from entities having business before the General Assembly to MADIGAN's political allies and, political workers, ~~and associates~~.

e. It was further part of the conspiracy that documentation would be and was prepared to make it falsely appear that certain payments made for the purpose of bribing MADIGAN were made solely for legitimate commercial purposes.

f. It was further part of the conspiracy that intimidation and threats would be and were used to cause third parties to provide private benefits to MADIGAN, his political allies and, political workers, ~~and associates~~.

g. It was further part of the conspiracy that the internet, email accounts, cellular telephones, landline telephones, and associated communications networks would be and were used with intent to promote, manage, establish, carry on, and facilitate the promotion, management, establishment, and carrying on of bribery and extortion; and thereafter, a member of the conspiracy would and did perform, cause to be performed and aid and abet the performance of acts to promote, manage, establish, and carry on and facilitate the promotion, management, establishment, and carrying on of said unlawful activity.

h. It was further part of the conspiracy that the conspirators would and did use coded language in their discussions and used coded references for purposes of discussing fellow conspirators.

i. It was further part of the conspiracy that the conspirators would and did meet in person and use third parties' cellular and private telephones in order to reduce law enforcement's ability to intercept their communications.

j. It was further part of the conspiracy that the conspirators misrepresented, concealed and hid, caused to be misrepresented, concealed and hidden, and attempted to misrepresent, conceal and hide the illegal operation of the enterprise and acts done in furtherance of the enterprise.

All of the above in violation of Title 18, United State Code, Section 1962(d).

COUNT TWO

The SPECIAL APRIL 2021 GRAND JURY further charges:

1. Paragraphs 1(a) through 1(j), 6 and 8 of Count One of this superseding indictment are realleged and incorporated here.

2. At times material to Count Two of this superseding indictment:

Commonwealth Edison Company and Affiliates

a. Commonwealth Edison Company ("ComEd"), with headquarters located in Chicago, delivered electricity to industrial, commercial, and residential customers across northern Illinois and was the largest utility company in the State.

b. As a utility, ComEd was subject to extensive regulation by the State of Illinois. The State of Illinois regulated the rates that ComEd could charge

its customers, as well as the rate of return ComEd could realize from its business operations.

c. ComEd maintained a summer internship program (the “ComEd Internship Program”) that provided paid internship positions to students. Based on their performance during the internship, participating students could be considered for subsequent summer internship positions or full-time jobs within ComEd.

d. ComEd was a majority-owned indirect subsidiary of Exelon Corporation (“Exelon”), a utility services holding company that provided energy to customers in multiple states. ComEd and Exelon had a class of securities registered pursuant to Section 12 of the Securities and Exchange Act of 1934 (15 U.S.C. § 78a *et seq.*) and were required to file reports with the Securities and Exchange Commission under Section 15(d) of the Exchange Act. ComEd and Exelon were therefore each an “issuer” under the Foreign Corrupt Practices Act of 1977 (the “FCPA”).

e. Exelon Business Services Company, LLC (“Exelon Business Services”) was a limited liability company organized under the laws of the State of Delaware. Exelon was the sole member of Exelon Business Services. Exelon Business Services provided support functions for companies affiliated with Exelon such as ComEd, including but not limited to contracting, accounting, and vendor payment functions.

ComEd and Exelon’s Internal Controls Program

f. Pursuant to the FCPA, issuers, such as ComEd and Exelon, were required to maintain a system of internal accounting controls sufficient to provide reasonable assurances that: (i) transactions were executed in accordance with

management's general or specific authorization; (ii) transactions were recorded as necessary to (A) permit preparation of financial statements in conformity with generally accepted accounting principles or any other criteria applicable to such statements, and (B) maintain accountability for assets; (iii) access to assets was permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets was compared with the existing assets at reasonable intervals, and appropriate action was taken with respect to any differences. The FCPA prohibited any person from knowingly and willfully circumventing or failing to implement the required system of internal accounting controls or knowingly and willfully falsifying any book, record, or account that issuers were required to keep.

g. Exelon, together with ComEd and Exelon Business Services, maintained a system of internal controls to detect and prevent improper payments, including bribe payments. These controls included various policies, programs, and procedures designed to ensure that Exelon's books and records, and those of their majority-owned subsidiaries including ComEd and Exelon Business Services, accurately reflected transactions engaged in by the company. The controls were also designed to detect unlawful payments, and included requiring multiple employees to be involved in the approval of contracts that exceeded specified amounts and auditing to help ensure accurate reporting of payments. Exelon maintained a corporate anti-bribery policy and implemented a Code of Business Conduct, which governed the

conduct of Exelon, ComEd, and Exelon Business Services employees and agents, including third-party consultants.

h. From in or around 2006 through in or around 2015, the Code of Business Conduct provided that “[m]anagement is accountable for establishing and maintaining a system of internal controls within an organization,” that management was required to “ensure that there is clear, complete, fair, and accurate reporting of financial and non-financial information pertaining to business transactions,” and that management was accountable to the Exelon board of directors for compliance. The Code of Business Conduct further specified that employees were accountable for “recording all business transactions, events and conditions accurately and completely,” and were prohibited from “falsifying data, information or records with respect to the Company’s finances or operations, including those related to, among other things: assets, liabilities, revenues, expenses and earnings” and from “creating off-book accounts or funds or making any other entry in any other record that intentionally misrepresents, conceals or disguises the true nature of any transaction, event or condition” Senior officers of Exelon were also required to ensure that internal controls around financial reporting were properly designed and effective, and were further required to promptly report any violations of these requirements. The Code of Business Conduct further provided that the “FCPA also requires that publicly held companies, like Exelon, maintain accurate books, records and accounts and devise a system of internal accounting controls sufficient to provide

reasonable assurance that, among other things, the Company's books and records fairly and accurately reflect business activities and transactions."

i. In or around 2015, the Code of Business Conduct was revised, and from in or around 2015 to in or around 2019 provided that "[b]usiness and financial records are essential to our business operations. Exelon relies on the integrity and accuracy of these records to make strategic decisions and has designed and implemented a series of internal controls—organizational structures, processes, procedures, systems, etc.—to effectively manage financial reporting." The Code of Business Conduct further instructed employees to: "[n]ever keep off-the-book accounts or false or incomplete records"; "[n]ever make an entry in any record that intentionally misrepresents, conceals or disguises the true nature of any transaction, event or condition"; "[r]ecord all business transactions, events and conditions accurately, completely and in a timely fashion"; "[e]nsure that there is clear, complete fair and accurate reporting and supporting records of financial information pertaining to business transactions"; "[n]ever mislead or misinform anyone about our business operations or finances"; "[i]mmediately report any requests received to manipulate accounts, books and records, or financial reports, and any suspected misconduct regarding accounting, internal controls, or auditing matters to the Ethics and Compliance Office, Audit and Controls, or the Legal Department." The Code of Business Conduct further emphasized under the heading "Fighting Bribery and Corruption" that bribes and kickbacks of any kind violated the Code of Business Conduct and were illegal, and that the FCPA "[r]equires that publicly held

companies, like Exelon, have accounting controls to assure that all transactions are recorded fairly and accurately in our financial books and records.” The Code of Business Conduct provided the following examples of what was expected of employees and agents: (a) “[k]eep accurate and complete records so all payments are honestly detailed and company funds are not used for unlawful purposes”; (b) “[c]onduct due diligence on all potential agents, consultants or other business partners”; and (c) “[n]ever use a third party to make payments or offers that could be improper.” Exelon’s Code of Business Conduct also prohibited bribery and listed as an example of a prohibited bribe: “Providing something of value for the benefit of a public official in a position to make a decision that could benefit the company.”

j. Exelon, together with ComEd and Exelon Business Services, provided training on the Code of Business Conduct to employees in the form of training guides.

k. Employees of Exelon and its subsidiaries, including ComEd and Exelon Business Services, were required to annually certify adherence to Exelon’s Code of Business Conduct. Employees were also required to promptly report potential violations of the Code of Business Conduct, including but not limited to “[a]ccounting improprieties, internal accounting controls or auditing matters.”

The Illinois General Assembly and Legislation Affecting ComEd’s Business

l. The Illinois General Assembly routinely considered bills and passed legislation that had an impact on ComEd’s and Exelon’s operations and profitability, including but not limited to legislation that affected the regulatory

process used to determine the rates ComEd could charge customers for the delivery of electricity.

~~m.~~—In 2011, the General Assembly considered ~~passed~~ the Energy Infrastructure and Modernization Act (“EIMA”). EIMA provided for a regulatory process through which ComEd was able to more reliably determine rates it could charge customers and, in turn, determine how much money it was able to generate from its operations to cover, among other things, costs for grid-infrastructure improvements. ~~The passage of EIMA therefore helped improve ComEd’s financial stability.~~

~~n.m.~~ ~~Following the passage of EIMA, the Illinois Commerce Commission (“ICC”) interpreted the language of EIMA in a manner adverse to ComEd.~~ In 2013, the General Assembly considered ~~passed~~ legislation, known as Senate Bill 9, that effectively overruled the Illinois Commerce Commission’s ~~adverse~~ interpretation of EIMA.

~~e.n.~~ ~~On or about December 1, In~~ 2016, the General Assembly considered ~~passed~~ the Future Energy Jobs Act (“FEJA”), which provided for a renewal of the regulatory process that was beneficial to ComEd. ~~After the passage of FEJA, From 2016 to 2019,~~ ComEd maintained a continuing interest in advancing legislation in the General Assembly favorable to its interests, and opposing legislation that was not consistent with its operational and financial success.

~~p.~~—~~On or about February 16, 2018, House Bill 5626 (“HB 5626”), which was intended to amend the Public Utilities Act to impose certain obligations~~

~~upon alternative retail electric suppliers, was filed in the Illinois House of Representatives. ComEd was opposed to HB 5626, and HB 5626 was not enacted into law.~~

b. to corruptly give, offer, and agree to give things of value, namely, jobs, contracts, and monetary payments associated with those jobs and contracts, for the benefit of MADIGAN~~and his associates~~, with intent to influence and reward MADIGAN, as an agent of the State of Illinois, in connection with any business, transaction, and series of transactions of the State of Illinois involving things of value

of \$5,000 or more, namely, legislation affecting ComEd and its business, in violation of Title 18, United States Code, Section 666(a)(2); and

(c) knowingly and willfully to circumvent a system of internal accounting controls and to falsify any book, record, and account of Exelon and ComEd, in violation of Title 15, United States Code, Sections 78m(b)(5) and 78ff(a).

3. It was part of the conspiracy that, for the purpose of influencing and rewarding MADIGAN in connection with his official duties as Speaker of the Illinois House of Representatives, and to assist ComEd with respect to the passage of legislation favorable to ComEd and its business and the defeat of legislation unfavorable to ComEd and its business, the conspirators (i) arranged for ~~various associates of MADIGAN, including~~ MADIGAN's political allies and individuals who performed political work for MADIGAN, to obtain jobs, contracts, and monetary payments associated with those jobs and contracts from ComEd and its affiliates, even in instances where ~~such associates~~individuals performed little or no work that they were purportedly hired to perform for ComEd; and (ii) created and caused the creation of false contracts, invoices, and other books and records to disguise the true nature of certain of the payments and to circumvent internal controls.

Hiring of MADIGAN's political allies and individuals who performed political work for MADIGAN ~~MADIGAN's Associates~~ as Vendor
"Subcontractors"
Who Performed Little or No Work for ComEd

4. It was further part of the conspiracy that MADIGAN and McClain sought to obtain from ComEd jobs, vendor contracts and subcontracts, as well as monetary payments for ~~various associates of MADIGAN, including~~ MADIGAN's

political allies and individuals who performed political work for MADIGAN, including but not limited to Individual 13W-1, Individual 13W-2, Individual 13W-3, Individual FR-1, and Individual 23W-1.

5. It was further part of the conspiracy that ComEd, together with senior executives and agents of the company, including but not limited to McClain, Pramaggiore, Hooker, and Marquez, corruptly arranged for jobs, vendor contracts and subcontracts, as well as monetary payments to be provided to MADIGAN's political allies and individuals who performed political work for MADIGAN~~-various associates of MADIGAN~~.

6. It was further part of the conspiracy that, at certain times, in order to conceal the nature and source of the payments and to prevent detection of the illegal activity, these jobs, vendor subcontracts, and monetary payments were indirectly provided to MADIGAN's political allies and individuals who performed political work for MADIGAN~~MADIGAN's associates~~ through third-party intermediaries.

7. It was further part of the conspiracy that, in or around 2011, MADIGAN approved of the plan to make indirect payments to his associates through third-party intermediaries, and thereafter, McClain reported to MADIGAN concerning the status of payments made to MADIGAN's political allies and individuals who performed political work for MADIGAN~~MADIGAN's associates~~.

8. It was further part of the conspiracy that certain recipients of these jobs, vendor contracts and subcontracts, as well as monetary payments, often did little or no work in return for such benefits.

9. It was further part of the conspiracy that the conspirators caused third-party intermediaries to enter into false contracts, to submit false invoices for payment, and further caused the creation and retention of other false documents and records within Exelon, ComEd, and Exelon Business Services that made it falsely appear that payments intended for third-party intermediaries were solely for legitimate services to be rendered or actually rendered by the third-party intermediaries, when in fact, the contracts, invoices, and internal documentation were intended to disguise the fact that a substantial amount of the payments to the third-party intermediaries was intended for MADIGAN's political allies and individuals who performed political work for MADIGAN~~MADIGAN's associates~~, who performed little or no work for ComEd.

10. It was further part of the conspiracy that, at times, MADIGAN's political allies and individuals who performed political work for MADIGAN ~~MADIGAN's associates~~—who were recipients of vendor subcontracts and monetary payments submitted invoices to third-party intermediaries, purporting to document services for the benefit of ComEd, concealing the fact that little or no work was performed by them for the benefit of ComEd, in order to ensure the continuation of such payments.

11. It was further part of the conspiracy that MADIGAN determined when payments made by ComEd through third party intermediaries to MADIGAN's political allies and individuals who performed political work for MADIGAN ~~certain of his associates~~ might be terminated, and based on his instructions, McClain and other conspirators caused such payments to end.

12. It was further part of the conspiracy that MADIGAN, either directly or through his agents, including but not limited to the staff of the Speaker's office, took official action to assist ComEd with respect to the passage of legislation favorable to ComEd and its business and to defeat legislation unfavorable to ComEd and its business.

Retention of Law Firm A

13. It was further part of the conspiracy that the conspirators caused ComEd to retain Law Firm A, for the purpose of influencing and rewarding MADIGAN in connection with MADIGAN's official duties.

14. It was further part of the conspiracy that, in or around 2011, McClain and Hooker, who were not members of ComEd's legal department, advised a member of ComEd's legal department that it was important to retain Law Firm A. Thereafter, Law Firm A was retained by ComEd pursuant to a contract that provided Law Firm A would be provided with approximately 850 hours of work a year.

15. It was further part of the conspiracy that, in or around 2014, Pramaggiore instructed a member of ComEd's legal department that Law Firm A's contract had to be renewed and that McClain had to be dealt with in connection with the renewal of the contract.

16. It was further part of the conspiracy that, in or around 2016, after personnel within ComEd sought to reduce the number of hours of legal work provided to Law Firm A because there was not enough appropriate legal work to provide to Law Firm A, McClain interceded with Pramaggiore, in order to cause Law Firm A's contract to be renewed on terms acceptable to Law Firm A.

17. It was further part of the conspiracy that, in or around 2016, a ComEd employee, who was assigned as a project manager by Pramaggiore to assist with obtaining legislative approval of FEJA—and who had no oversight authority over ComEd’s legal department—began to monitor the renewal of Law Firm A’s contract in order to help ensure that Law Firm A’s contract was renewed.

18. It was further part of the conspiracy that, in or around 2016, the conspirators caused ComEd to enter into a new contract with Law Firm A, with the intent to influence and reward MADIGAN in connection with MADIGAN’s official duties, including the promotion and passage of legislation that affected ComEd.

Thirteenth Ward Interns

19. It was further part of the conspiracy that, for the purpose of influencing and rewarding MADIGAN, the conspirators caused positions in the ComEd Internship Program to be set aside for individuals associated with the Thirteenth Ward who were identified to ComEd by McClain.

20. It was further part of the conspiracy that potential Thirteenth Ward interns identified to ComEd by McClain did not need to compete against the general intern applicant pool, and instead, received more favorable treatment when it came to assessing their qualifications for positions within the ComEd Internship Program.

21. It was further part of the conspiracy that Marquez would contact other employees within ComEd for the purpose of stressing the need to hire intern candidates who were referred by McClain, and ensuring that Thirteenth Ward intern candidates received favorable treatment during the hiring process.

22. It was further part of the conspiracy that ComEd's minimum academic requirements for intern candidates, such as a minimum required grade point average, were waived at times for certain Thirteenth Ward intern candidates who did not meet those requirements.

Appointment to ComEd Board

23. It was further part of the conspiracy that, by no later than in or around November 2017, MADIGAN and McClain sought the appointment of Individual BM-1 to the ComEd board of directors, and Pramaggiore agreed to seek the appointment of Individual BM-1 with the intent to influence and reward MADIGAN in connection with MADIGAN's official duties.

24. It was further part of the conspiracy that between in or around 2017 and in or around 2019, Pramaggiore took steps to cause ComEd and Exelon to appoint Individual BM-1 to the ComEd board of directors, including urging other ComEd and Exelon executives to agree to and arrange for Individual BM-1's appointment.

25. It was further part of the conspiracy that, in or around April 2019, Individual BM-1 was appointed to the ComEd board of directors.

Hiring of Other Individuals

26. It was further part of the conspiracy that McClain regularly made requests on MADIGAN's behalf to Pramaggiore, Marquez, and other personnel within ComEd to hire individuals associated with MADIGAN as full-time employees, consultants, and contractors.

27. It was further part of the conspiracy that, for the purpose of influencing and rewarding MADIGAN, the conspirators often secured and attempted to secure jobs and contracts for these individuals as requested by McClain.

Concealment

28. It was further part of the conspiracy that, in order to conceal the unlawful benefits tendered for the purpose of influencing and rewarding MADIGAN, the conspirators concealed multiple violations of Exelon's Code of Business Conduct, including violations of: (i) the requirement to keep accurate and complete records of all payments made by ComEd, Exelon, and Exelon Business Services; (ii) the prohibition on never using a third party to make payments or offers that could be improper; and (iii) the prohibition on "providing something of value for the benefit of a public official in a position to make a decision that could benefit the company."

29. It was further part of the conspiracy that, in order to conceal the nature and purpose of their conduct, conspirators often referred to MADIGAN as "our Friend," or "a Friend of ours," rather than using MADIGAN's true name.

30. It was further part of the conspiracy that the defendants and their co-conspirators misrepresented, concealed and hid, and caused to be misrepresented, concealed and hidden, and attempted to misrepresent, conceal and hide acts done in furtherance of the conspiracy and the purpose of those acts.

Overt Acts

31. In furtherance of the conspiracy and to effect its objects and purposes, the defendant and his co-conspirators committed and caused to be committed the

following overt acts, among others, within the Northern District of Illinois and elsewhere:

- a. On or about May 30, 2011, MADIGAN voted in favor of EIMA.
- b. On or about October 26, 2011, MADIGAN voted in favor of overriding the Governor of Illinois's veto of EIMA.

COUNT FIFTEEN

The SPECIAL APRIL 2021 GRAND JURY further charges:

1. Paragraphs 1(a) through 1(g), 1(k), 1(m), and paragraph 6 of Count One of this superseding indictment are realleged and incorporated here.

2. At times material to Count Fifteen of this superseding indictment:

a. Company C was a joint-venture involved in the development of a large, multi-unit apartment building in Chicago, Illinois (the “Apartment project”). Individual C-1 was associated with the joint venture.

b. As of in or around June 2017, the Apartment project had not obtained the approvals required for the project from the City of Chicago, including a zoning change that would come for approval before the Committee on Zoning, Landmarks & Building Standards, chaired by Alderman A.

3. On or about June 12, 2017, MADIGAN asked Alderman A to introduce him to representatives of Company C, so that MADIGAN could seek business for his private law firm, Madigan & Getzendanner, from Company C.

4. On or about June 23, 2017, after Alderman A informed MADIGAN that:

(i) representatives of Company C would meet with MADIGAN so that MADIGAN could seek legal work for his private firm; (ii) Company C still needed to deal with Alderman A “in terms of zoning” for the Apartment project; and (iii) “I think they understand

how this works, you know, the *quid pro quo*, the *quid pro quo*,” MADIGAN said, “Okay. . . . Very good.”

5. On or about July 12, 2017, after Alderman A informed MADIGAN that, with respect to Individual C-1: (i) Alderman A had confirmed a meeting between Individual C-1 and MADIGAN so that MADIGAN could seek private legal work from Company C; and (ii) “I just talked to him, and I think, you know, by me giving him the zoning change and everything he needs and I think he understands, so I think it’ll be okay,” MADIGAN said, “Very good, okay.”

6. On or about July 18, 2017, immediately prior to a meeting with Individual C-1 and another representative for Company C, MADIGAN privately told Alderman A not to use the phrase *quid pro quo*, and falsely suggested a pretext for Alderman A’s introduction of Company C to MADIGAN for tax services: “You’re just recommending . . . because if they don’t get a good result on their real estate taxes, the whole project will be in trouble. . . . Which is not good for your ward. So you want high quality representation.” In truth and fact, as MADIGAN well knew, MADIGAN had asked Alderman A to introduce him to Company C for the purpose of obtaining private legal work; Alderman A had expressed no concern about the viability of the Apartment project based on real estate taxes; and Alderman A had twice advised MADIGAN of an understanding that approvals for the Apartment project would be received in exchange for private legal work being provided to MADIGAN’s law firm.

7. On or about July 18, 2017, MADIGAN met with Individual C-1 and another representative of Company C and, in Alderman A's presence, sought tax work for his private law firm, Madigan & Getzendanner.

8. On or about September 7, 2017, after Alderman A informed MADIGAN that he would soon be taking official action on the Apartment project, and asked MADIGAN whether MADIGAN's law firm had received business from Company C: "I'm gonna be deciding on this development I told you, I think before, that I'm very likely to do it But I wanted to know if you had done anything with them yet," MADIGAN responded, "I'm almost positive the answer is yes," but asked Alderman A for an opportunity to "double check with my partner."

9. On or about September 11, 2017, after Alderman A asked MADIGAN during a telephone call whether Company C "had . . . contacted your firm or not," MADIGAN, using vague language to conceal the nature and significance of his instruction, told Alderman A, "Umm, you know, you should go ahead and process that. . . . You were contemplating processing something. You should go ahead and process that."

10. Beginning no later than in or around June 2017 and continuing through in or around September 2017, at Chicago, in the Northern District of Illinois, Eastern Division, and elsewhere,

MICHAEL J. MADIGAN,

defendant herein, did knowingly attempt to commit extortion, which extortion would obstruct, delay, and affect commerce, in that MADIGAN attempted to obtain

property, namely, fees arising from the retention of MADIGAN's law firm, Madigan & Getzendanner, to be paid by Company C, with the consent of Company C, induced under color of official right;

In violation of Title 18, United States Code, Section 1951(a) and 2.

Relevant Entities and Individuals

- a. The State of Illinois owned a parcel of land located in Chicago's Chinatown neighborhood (the "Chinatown parcel") that was used to operate a parking lot accessible to the community.
- b. A group of individuals ("Group A") sought to develop the Chinatown parcel and the adjacent area by converting the parking lot into a commercial development which would include a hotel. In order to move forward with this development, Group A sought to have the State of Illinois transfer ownership of the Chinatown parcel to the City of Chicago, so that Group A could in turn acquire the Chinatown parcel from the City and thereafter develop it and the adjacent area.
- c. Lobbyist 1 was engaged in the practice of lobbying public officials in the legislative and executive branches of the State of Illinois.
- d. Representative A and Representative B were elected members of the House of Representatives.

f. The Illinois Secretary of Transportation was the chief executive officer within the Illinois Department of Transportation.

g. The Office of the Illinois Secretary of State, headed by the Secretary of State, was responsible for, among other things, issuing driver's licenses, registering vehicles, and promoting traffic safety.

MICHAEL J. MADIGAN and
MICHAEL F. McCLAIN,

defendants herein, together with others known and unknown to the Grand Jury, knowingly devised, intended to devise, and participated in a scheme to defraud the people of the State of Illinois of the intangible right to the honest services of MADIGAN through bribery and to obtain money and property by means of materially false and fraudulent pretenses, representations, and promises, which scheme is further described below.

4. It was part of the scheme that MADIGAN agreed to use his position as Speaker of the House to assist with and cause the passage of legislation providing for the transfer of the Chinatown parcel with the understanding that, in exchange, legal work would be steered to his private law firm, Madigan & Getzendanner, which would generate legal fees that personally benefitted MADIGAN.

**MADIGAN Assigns McCLAIN to Work on
the Transfer of the Chinatown Parcel**

5. It was further part of the scheme that on or about July 18, 2017, MADIGAN discussed with Alderman A the transfer of the Chinatown parcel from the State of Illinois to the City of Chicago so that Group A could in turn acquire the Chinatown parcel from the City of Chicago for the purposes of commercially developing the parcel.

6. It was further part of the scheme that on or about September 7, 2017, MADIGAN advised Alderman A that the decision to transfer the Chinatown parcel was in the “hands of” the Illinois Department of Transportation, and that MADIGAN would find somebody to talk to the Illinois Department of Transportation.

7. It was further part of the scheme that, on or about September 13, 2017, MADIGAN obtained the telephone number of a member of Group A from Alderman A, and instructed Alderman A to tell this individual that McCLAIN would be in contact in one or two days.

8. It was further part of the scheme that, on or about September 13, 2017, McCLAIN contacted a member of Group A for the purpose of discussing the transfer of the Chinatown parcel.

9. It was further part of the scheme that, on or about November 14, 2017, McCLAIN met with Alderman A and, thereafter, with members of Group A to discuss the transfer of the Chinatown parcel.

10. It was further part of the scheme that, on or about December 15, 2017, McCLAIN and Alderman A discussed McCLAIN’s plan to involve Lobbyist 1 in the

effort to transfer the Chinatown parcel, owing to Lobbyist 1's useful contacts within the Governor's administration.

MADIGAN and McCLAIN Are Told MADIGAN Will Receive Tax Work in Exchange for Assisting with the Transfer of the Chinatown Parcel

11. It was further part of the scheme that, on or about December 18, 2017, after McCLAIN was informed by Alderman A that "In the past, I have been able to steer some work to Mike [MADIGAN], and these guys will do the same thing," McCLAIN agreed that MADIGAN would assist with the transfer of the Chinatown parcel.

12. It was further part of the scheme that, in or around late 2017, McCLAIN indicated to Lobbyist 1 that MADIGAN would not block any bill providing for the transfer of the Chinatown parcel from passage in the House of Representatives.

13. It was further part of the scheme that, on or about March 26, 2018, after Alderman A told MADIGAN that "I've been around for a long time. I can be discreet," and that Group A would provide MADIGAN with property tax work for the Chinatown parcel, MADIGAN thanked Alderman A, and agreed to follow up on matters relating to the transfer of the Chinatown parcel, to include having McCLAIN communicate with the sponsor of an already-filed land transfer bill that could be amended to also provide for the transfer of the Chinatown parcel.

14. It was further part of the scheme that, on or about March 27, 2018, after Alderman A told MADIGAN that, if MADIGAN could take care of the transfer of the Chinatown parcel, Group A would "appreciate it" and give MADIGAN tax work for his private law firm, MADIGAN said, "Okay, alright, very good."

**MADIGAN and McCLAIN Work to Overcome Opposition
to the Transfer of the Chinatown Parcel**

15. It was further part of the scheme that, between on or about April 17, 2018, and on or about April 18, 2018, McCLAIN discussed with Lobbyist 1 how to overcome the obstacle posed by State Senator A, who was believed to oppose legislation providing for the transfer of the Chinatown parcel to the City of Chicago, so that the land could thereafter be transferred to Group A.

16. It was further part of the scheme that, on or about April 24, 2018, after confirming that MADIGAN was using a private telephone, McCLAIN reported that “we got troubles” concerning the transfer of the Chinatown parcel, and MADIGAN suggested that a “big delegation” from Chinatown visit State Senator A and another senator who were believed to oppose legislation providing for the transfer of the Chinatown parcel.

17. It was further part of the scheme that, on or about April 25, 2018, McCLAIN told Alderman A and Lobbyist 1 about MADIGAN’s suggestion to have a delegation from Chinatown visit two State senators to persuade them to remove their opposition to the transfer of the Chinatown parcel.

18. It was further part of the scheme that, on or about May 16, 2018, MADIGAN asked McCLAIN for a report on McCLAIN’s progress in arranging for the transfer of the Chinatown parcel, and McCLAIN explained that he was in the process of having information concerning the Chinatown parcel delivered to a member of MADIGAN’s legislative staff.

19. It was further part of the scheme that on or about May 28, 2018, for the purpose of concealing MADIGAN's participation in the illegal activity and making it appear that MADIGAN was uninvolved in efforts to transfer the Chinatown parcel, McCLAIN told MADIGAN's staff member to make sure MADIGAN voted "present" on the bill concerning the transfer of the Chinatown parcel because the bill concerned "a developer of his," and based on McCLAIN's questions concerning the insertion of language concerning the Chinatown parcel into a bill, the staff member offered to follow up with Lobbyist 1 concerning the additional language authorizing the transfer of the Chinatown parcel that needed to be added to a pending land transfer bill.

20. It was further part of the scheme that, on or about May 30, 2018, McCLAIN advised MADIGAN's chief of staff that State Senator A had put a "brick" on the transfer of the Chinatown parcel in the Senate, meaning that any bill providing for the transfer of the Chinatown parcel would not pass in the Senate.

21. It was further part of the scheme that, on or about May 31, 2018, McCLAIN left a message for MADIGAN and reported that "we have had many hurdles" concerning the transfer of the Chinatown parcel, that the Illinois Secretary of Transportation was opposed to the transfer of the Chinatown parcel, and that Lobbyist 1 was still attempting to "find a vehicle" for the transfer of the Chinatown parcel.

22. It was further part of the scheme that, on or about May 31, 2018, MADIGAN called McCLAIN, and instructed McCLAIN to "put the file in the drawer

for a while” due to the opposition mounted by the Secretary of Transportation and others to legislation concerning the transfer of the Chinatown parcel.

23. It was further part of the scheme that, on or about May 31, 2018, after Alderman A advised McCLAIN that the amendment to Representative A’s bill authorizing the transfer of the Chinatown parcel had been filed and indicated his understanding that the plan was to have the legislation considered during the General Assembly’s upcoming fall veto session, McCLAIN agreed, and explained that he expected the Secretary of Transportation to have found “another job and be gone” by that time, and that MADIGAN was “fine with that” plan.

**MADIGAN and McCLAIN Identify and Secure a Sponsor in the House
for a Bill Concerning the Transfer of the Chinatown Parcel**

24. It was further part of the scheme that, on or about June 20, 2018, MADIGAN explained to Alderman A that “in all likelihood” the Secretary of Transportation would no longer be in office after the election in early November 2018, and in response to Alderman A’s request for MADIGAN’s intervention either in November 2018 or January 2019 to ensure the passage of legislation concerning the Chinatown parcel, MADIGAN agreed to get it done.

25. It was further part of the scheme that, on or about June 22, 2018, based on MADIGAN’s request for information, McCLAIN asked for additional information from Lobbyist 1 in relation to the transfer of the Chinatown parcel.

26. It was further part of the scheme that, on or about July 31, 2018, McCLAIN advised Alderman A that McCLAIN had talked to MADIGAN about the transfer of the Chinatown parcel the previous week, and that McCLAIN did not

anticipate any problems with passing legislation authorizing the transfer of the Chinatown parcel in the fall.

27. It was further part of the scheme that, on or about August 7, 2018, McCLAIN discussed with Lobbyist 1 finding a different sponsor for the land transfer bill and the amendment authorizing the transfer of the Chinatown parcel in the House of Representatives, owing to the fact that Representative A did not support the transfer of the Chinatown parcel.

28. It was further part of the scheme that, on or about October 26, 2018, MADIGAN advised Alderman A of his willingness to call legislation concerning the Chinatown parcel for a vote in the House during the veto session, and told Alderman A, “I have to find out about who would be the proponent in the House. We gotta find the appropriate person for that. I have to think it through.”

29. It was further part of the scheme that, on or about November 2, 2018, MADIGAN told McCLAIN that “we never settled on a sponsor” for the bill concerning the transfer of the Chinatown parcel, and MADIGAN told McCLAIN that Representative B would be a suitable sponsor for the bill in the House of Representatives because Representative B’s seat was within the Senate district that included the Chinatown parcel.

30. It was further part of the scheme that, on or about November 7, 2018, McCLAIN left a voicemail message for Representative B, in which McCLAIN asked Representative B to sponsor the bill providing for the transfer of the Chinatown parcel in the House of Representatives.

31. It was further part of the scheme that, on or about November 8, 2018, McCLAIN told Representative B that “a friend of ours [MADIGAN] talked to me and said that, since you’re the other half of that Senate district . . . the thought was that maybe that they would hand the bill over to you and that you’d be the chief sponsor,” and Representative B agreed to sponsor the bill.

32. It was further part of the scheme that, on or about November 10, 2018, McCLAIN sent an email to Lobbyist 1, in which McCLAIN asked Lobbyist 1 if Lobbyist 1 had talked to Representative B about moving sponsorship of the land transfer bill to Representative B, and whether there were any problems with moving the bill to Representative B.

33. It was further part of the scheme that, on or about November 11, 2018, MADIGAN and McCLAIN caused Lobbyist 1 to email Representative B a copy of the proposed amendment to the land transfer bill introduced by Representative A that would provide for the transfer of the Chinatown parcel to the City of Chicago.

34. It was further part of the scheme that, on or about November 21, 2018, McCLAIN advised Alderman A that a “major hurdle” to passage of legislation concerning the Chinatown parcel had arisen, in that the Illinois Secretary of State had received petitions from local businesspeople in Chinatown who were opposed to the transfer of the Chinatown parcel, and that the Illinois Secretary of State had reached out to leadership in the Senate to express opposition to the transfer.

35. It was further part of the scheme that, on or about November 23, 2018, after Alderman A advised MADIGAN that there was opposition to legislation

providing for the transfer of the Chinatown parcel and that it was best to wait until after upcoming elections and attempt to pass the legislation in May 2019, MADIGAN agreed to do so.

36. It was further part of the scheme that, on or about November 23, 2018, MADIGAN confirmed with McCLAIN that the bill to transfer the Chinatown parcel would not go forward in the General Assembly's veto session.

37. It was further part of the scheme that MADIGAN and McCLAIN concealed, misrepresented, and hid and caused to be concealed, misrepresented and hidden, the existence and purpose of the scheme and the acts done in furtherance of the scheme.

38. On or about November 10, 2018, in the Northern District of Illinois, Eastern Division, and elsewhere,

MICHAEL F. McCLAIN,

defendants herein, for the purpose of executing the scheme, knowingly caused to be transmitted by wire communication in interstate commerce certain writings, signs, and signals, namely, an email from McCLAIN to Lobbyist 1, in which McCLAIN asked if Lobbyist 1 had talked to Representative B about moving sponsorship of a land transfer bill to Representative B, and whether there were any problems with moving the bill to Representative B, which email was processed through servers outside Illinois;

In violation of Title 18, United States Code, Sections 1343 and 1346.

- c. Individual ATT-1 and Individual ATT-2 were each employed by AT&T Illinois as an Assistant Vice President of Legislative Affairs.
- d. Individual ATT-3 was employed by AT&T Illinois as a Director of Legislative Affairs.

**The Illinois General Assembly and
Legislation Affecting AT&T Illinois's Business**

f. Between in or around 2010 and continuing until in or around 2015, AT&T Illinois unsuccessfully worked to enact legislation in the Illinois General Assembly that would have made it easier to terminate its obligation to provide landline telephone services to all Illinois residents, which was commonly referred to as the carrier of last resort (“COLR”) obligation. AT&T Illinois projected that it would save millions of dollars through the passage of COLR legislation and the elimination of its obligation to provide landline services to all Illinois residents.

g. In or around 2017, AT&T Illinois continued to advocate for the passage of COLR legislation by the Illinois General Assembly. The General Assembly passed AT&T Illinois's COLR legislation, contained in Senate Bill 1839, on or about May 31, 2017, but it was vetoed by the Governor. Another version of the COLR legislation, contained in House Bill 1811, was passed by the General Assembly, and it was vetoed by the Governor again. The veto was overridden in the House and Senate on or about July 1, 2017, and the COLR legislation became law. MADIGAN voted in favor of House Bill 1811, and voted to override the Governor's veto of House Bill 1811.

3. Beginning no later than in or around February 2017, and continuing through in or around January 2018, in the Northern District of Illinois, Eastern Division, and elsewhere,

MICHAEL J. MADIGAN and
MICHAEL F. McCLAIN,

defendants herein, did conspire with each other, Illinois Bell Telephone Company, doing business as “AT&T Illinois,” Paul La Schiazza, and others known and unknown to the Grand Jury:

a. to corruptly solicit and demand, and to accept and agree to accept from another person things of value, namely, monetary payments to Individual FR-1, for the benefit of MADIGAN and Individual FR-1, intending that MADIGAN, an agent of the State of Illinois, be influenced and rewarded in connection with any business, transaction, and series of transactions of the State of Illinois involving things of value of \$5,000 or more, namely, COLR legislation, in violation of Title 18, United States Code, Section 666(a)(1)(B); and

b. to corruptly give, offer, and agree to give things of value, namely, monetary payments to Individual FR-1, for the benefit of MADIGAN and Individual FR-1, with intent to influence and reward MADIGAN, as an agent of the State of Illinois, in connection with any business, transaction, and series of transactions of the State of Illinois involving things of value of \$5,000 or more, namely, COLR legislation, in violation of Title 18, United States Code, Section 666(a)(2).

4. It was part of the conspiracy that, for the purpose of influencing and rewarding MADIGAN in connection with his official duties as Speaker of the House of Representatives, and to assist AT&T Illinois with respect to the passage of COLR legislation, the conspirators arranged for Individual FR-1 to indirectly receive payments made at the direction of AT&T Illinois totaling \$22,500, even though Individual FR-1 did no work in return for such payments, and created and caused

the creation of a false contract and other false internal records to disguise the true nature of these payments.

5. It was further part of the conspiracy that MADIGAN and McCLAIN sought to obtain monetary payments for Individual FR-1 from AT&T Illinois.

6. It was further part of the conspiracy that, two days after McCLAIN first asked AT&T Illinois to provide benefits to Individual FR-1 in the form of a “small contract,” McCLAIN advised AT&T Illinois and La Schiazza that MADIGAN had assigned McCLAIN to work on the COLR legislation AT&T Illinois sought to advance during the General Assembly’s 2017 legislative session as a “Special Project” for MADIGAN.

7. It was further part of the conspiracy that AT&T Illinois, together with La Schiazza, Individual ATT-1, Individual ATT-2, and Individual ATT-3, and Intermediary 4, arranged for indirect monetary payments to be provided to Individual FR-1 through Intermediary 4.

8. It was further part of the conspiracy that, in order to conceal the nature and source of the payments to Individual FR-1 and to prevent detection of the illegal activity, the conspirators submitted a false and misleading justification for the payments, namely, that they were for the purpose of bringing on an unidentified “additional asset” who would “make a difference for strategies associated with House Democratic Leadership views on advancing AT&T strategies for 2017 COLR legislation,” and caused Intermediary 4 to enter into a false and misleading contract amendment to make it falsely appear that the payments made to Intermediary 4

were solely for legitimate services to be rendered, when in fact, the payments were for Individual FR-1, a MADIGAN associate who had no actual or anticipated role in the strategy to pass COLR legislation.

9. It was further part of the conspiracy that the conspirators, without first consulting or informing Individual FR-1, formulated a pretextual assignment for Individual FR-1, namely, that Individual FR-1 be hired as a consultant through Intermediary 4 for the purpose of preparing a report on the political dynamics of the General Assembly's and the City of Chicago's Latino Caucus in return for total payments from AT&T Illinois of \$22,500.

10. It was further part of the conspiracy that, after Individual FR-1 initially rejected the pretextual assignment along with proposed total payments of \$22,500 as insufficient, Individual ATT-1 confirmed that McCLAIN considered the money offered to Individual FR-1 sufficient.

11. It was further part of the conspiracy that after McCLAIN confirmed that the proposed payments to Individual FR-1 totaling \$22,500 were sufficient, Individual FR-1 accepted AT&T Illinois's proposal.

12. It was further part of the conspiracy that Individual FR-1 did no work in return for the monetary payments made at the direction of AT&T Illinois and did not complete the pretextual assignment devised for him.

13. It was further part of the conspiracy that no efforts were undertaken by the conspirators to (i) ensure Individual FR-1 did work in return for the payments he

received; (ii) recover the money paid to Individual FR-1 due to his failure do any work, and (iii) have another party complete the pretextual assignment.

14. It was further part of the conspiracy that conspirators used vague language in email communications in order to conceal the illegal nature and purpose of their conduct.

15. It was further part of the conspiracy that McCLAIN regularly met with AT&T Illinois employees, members of the Speaker's staff, and other interested parties to facilitate the passage of COLR legislation during the 2017 legislative session.

16. It was further part of the conspiracy that MADIGAN, either directly or through his agents, including but not limited to the staff of the Speaker's office, took official action to assist AT&T Illinois with respect to the passage of COLR legislation.

17. It was further part of the conspiracy that the defendants and their co-conspirators misrepresented, concealed and hid, and caused to be misrepresented, concealed and hidden, and attempted to misrepresent, conceal and hide acts done in furtherance of the conspiracy and the purpose of those acts.

Overt Acts

18. In furtherance of the conspiracy and to effect its objects and purposes, the defendants and their co-conspirators committed and caused to be committed the following overt acts, among others, within the Northern District of Illinois and elsewhere:

a. On or about February 14, 2017, McCLAIN sent an email to Individual ATT-1 asking for "a small contract" for Individual FR-1.

b. On or about February 16, 2017, La Schiazza informed AT&T Illinois employees that McCLAIN had been assigned by MADIGAN to work on AT&T Illinois's legislation as a "Special Project."

c. On or about March 28, 2017, La Schiazza sent an email to Individual ATT-1 and Individual ATT-3 in which he indicated that McCLAIN had called to ask if AT&T Illinois had \$2,500 or \$3,000 per month for a "small contract" for Individual FR-1.

d. On or about March 28, 2017, La Schiazza advised Individual ATT-1 and Individual ATT-3 that AT&T Illinois had received a "GO order" to hire Individual FR-1.

e. On or about March 31, 2017, La Schiazza wrote an email in which he advised Individual ATT-1, Individual ATT-2, and Individual ATT-3 that he had no objection to paying Individual FR-1 through an intermediary as a consultant, instead of directly as a lobbyist, "as long as you are sure we will get credit and the box checked."

f. On or about March 31, 2017, Individual ATT-3 wrote an email in which Individual ATT-3 asked Individual ATT-1 and Individual ATT-2 the following about hiring Individual FR-1 through an intermediary as a consultant: "[A]re we 100% certain that we will get credit for being responsive?"

g. On or about March 31, 2017, Individual ATT-3 wrote an email to Individual ATT-1 and Individual ATT-2, in which he added, "I think remaining question is if we would get credit from the powers that be."

h. On or about March 31, 2017, Individual ATT-2 wrote an email responding to the email referenced in paragraph 18(g) above, “I would hope that as long as we explain the approach to McClain and [Individual FR-1] gets the money then the ultimate objective is reached.”

i. On or about March 31, 2017, Individual ATT-3 wrote an email responding to the email referenced in paragraph 18(h) above, “I don’t think Paul [La Schiazza] wants this based on ‘hope.’ We need to confirm prior to executing this strategy.”

j. On or about April 2, 2017, Individual ATT-1 texted McCLAIN that he wanted to discuss a “consulting issue.”

k. On or about April 5, 2017, in connection with the payment of Individual FR-1, Individual ATT-3 submitted a false justification via email to a fellow AT&T Illinois employee in support of increasing the monthly payment made to Intermediary 4, so that Intermediary 4 could in turn pay Individual FR-1 \$2,500 a month for the remainder of 2017.

l. On or about April 20, 2017, La Schiazza signed a contract amendment on behalf of AT&T Illinois that increased compensation to Intermediary 4 by \$2,500 per month for April 2017 through December 2017.

m. On or about April 26, 2017, after Intermediary 4’s contract had been amended so that AT&T Illinois could make indirect payments through Intermediary 4 to Individual FR-1, Individual ATT-2, Individual ATT-3, and the owner of Intermediary 4 met with Individual FR-1 for the first time to discuss paying

Individual FR-1 \$2,500 per month to prepare a report on the political dynamics of the General Assembly's and the City of Chicago's Latino Caucus.

n. On or about April 28, 2017, after Individual FR-1 had rejected the proposal to indirectly pay him \$2,500 a month as being insufficient, Individual ATT-1 contacted McCLAIN and confirmed that \$2,500 per month was sufficient.

o. On or about May 26, 2017, the Speaker's office requested a complete roll call on Senate Bill 1839, which included the COLR legislation.

p. On or about May 31, 2017, MADIGAN voted in favor of Senate Bill 1839.

q. On or about June 29, 2017, after the COLR legislation had been added as an amendment to House Bill 1811, MADIGAN voted in favor of the amendment to House Bill 1811.

r. On or about July 1, 2017, MADIGAN voted to override the Governor's veto of House Bill 1811.

s. On or about each date set forth below, the conspirators caused payments to be made to Intermediary 4 in the approximate amount set forth below, with a substantial portion of each payment intended for Individual FR-1:

<u>Overt Act</u>	<u>Date</u>	<u>Amount</u>
s-1	06/01/2017	\$10,000
